Profile

President, Prosthetic Illusions Inc. (aka Rocky Mountain Anaplastology Inc.), Lakewood, Colorado, 1981 to present.

Current board member of the Vesalius Trust.

Chair, Walter Spohn Educational Fund.

Serves on the Editorial Review Board for the *International Journal of Anaplastology*.

Serves on various committees and projects for the International Anaplastology Association (formally known as the American Anaplastology Association), including the Walter Spohn Educational Fund, and the Membership Committee.

Periodically, is a speaker at educational programs for doctors, residents, and allied health care professionals at area hospitals/universities, international institutions, and association meetings.

Travels often on international medical mission trips.

Member of: International Anaplastology Association (IAA), American Association of Breast Care Professionals (AABCP), Women Impacting Public Policy (WIPP), Essentially Women (EW), and Count Me In (CMI)

Experience

After relocating to Colorado in the fall of 1980, Barbara opened her own practice the following spring of 1981. Her apprenticeship with Walter Spohn, her father - often referred to as the Father of Anaplastology - started in 1974, and did not really end until his death in 2003.

She has served as President, Secretary, and Director of the American Anaplastology Association (now known as the International Anaplastology Association).

Contributor to the *Journal of Facial and Somato Prosthetics*.

Education

Board Certified Clinical Anaplastologist - Ocularist, BCCA

Certified Fitter for mastectomy patients, ABC

Graduated from the Anaplastology/Ocularist Program through a cooperative union between Stanford University Medical Center and the State of California, Foothill Junior College, AS (2/4 years), 1980.

Apprenticed under Walter Spohn from 1974 - 1978.

Skills

As an Anaplastologist, Barbara's specialties include custom artificial eyes (ocularist training was included in the Stanford Anaplastology Program), facial prostheses (with or without bone-anchored implants), partial digits, protective face guards, and custom and non-custom breast prostheses.

Awards

Make Mine A Million \$ Business Awardee - Albuquerque 2008

American Anaplastology Humanitarian Award
